Subject: Questions

Wanted to give you a head's up that today during our Ministerial briefing some really good questions were raised by Ministers around Monday. I pass these along to you for your consideration as I know you have a role in many ways, in particular on #3. In terms of #3 any detailed information you could with us or the RCMP would be really appreciated as we will need to address this specific question in tomorrow's 1pm Ministerial brief.

1. When does this all end?
2. How does this all end?
3. What exactly are the plans for Monday in terms of Parliamentary business?
4. How long do we allow the convoy to stay on Wellington?
5. What's the phased-approach to opening up Wellington?
